

Corporate Responsibility and Ethical Code

At Weaver Demolition Limited, we recognise that our business activities have social, environmental and economic impacts, and we take our corporate responsibility to monitor, manage and work to reduce those impacts seriously by conducting comprehensive risk assessments, maintaining consistently high standards, and using the latest plant and equipment.

Our approach to corporate responsibility enables us to meet our responsibilities, manage and mitigate risk, maximise opportunities, maintain our reputation and add value to our business. We seek to demonstrate this commitment in our everyday actions and through our adherence to our Health and Safety, Equal opportunities and Environmental Policies.

Weaver Demolition Limited prides itself on being both a professional company and a family-run business with sector-leading expertise. We conduct our business according to the highest professional and ethical standards and seek to continuously improve our performance and raise our standards to secure sustainable business success.

These practices are constantly being reviewed.
